JUMBO MAGNETIC LETTERS

(PLEASE NOTE - PACKAGING MAY VARY FROM PICTURE ABOVE)

PIECES ARE 2-1/2" HIGH!

A PRESCHOOL FAVORITE!

Big and bright! Not the tiny magnetic numbers and letters you find in your mass market toy store. These aren't manufactured by a toy company, they are made by a company which services the school industry, so you know they are good. Our magnetic letters can begin the pre-schooler's road to letter recognition, reading and spelling! The jumbo set of letters (choose from uppercase or lowercase) has 40 letters which includes the complete alphabet plus extra letters for spelling. For ages 3 and up!

Jumbo Magnetic Letters Uppercase (Item #2234) \$7.95!

Jumbo Magnetic Letters Lowercase (Item #2267) \$7.95!
